MT. WASHINGTON VALLEY CHAMBER MEMBER
EMPLOYEE BENEFITS

Employees of the Mt. Washington Valley Chamber of Commerce member businesses are eligible to receive some great benefits and discounted services. Here is a listing of benefits available. Please click on the links for more information or call the Chamber or email Membership Services with any questions.

Valley Sampler Golf Pass: The Golf Pass is available for just $125 to full-time employees (32 hours per week). With this pass you get 2 visits each to 10 participating golf courses. (Some blackout dates apply). You can use all for yourself or bring along family or friend. For more information >>

Chamber Prescription Drug Program: Chamber member businesses and their employees and families have access to additional savings on prescriptions through chambers' nationwide partnership with United Networks of America. Cards are available to all employees. For more information >>

Professional Development: The Chamber sponsors Leadership MWV, designed for young professionals to expand their knowledge of the Mt. Washington Valley community, network with other participants, meet and learn from local and state leaders, develop leadership and workforce skills and participate in service projects. The class meets 1 to 2 times each month beginning in January and ending in June with a graduation ceremony. For more information >>

Get Involved: The Chamber offers many opportunities for members to become better connected to our community and more aware of community and business issues by networking with us at Chamber After Hours, 3rd Tuesday of each month, or the Business Expo or Annual Meeting, held each year. For more information >>

Member to Member Benefits: Many Chamber businesses offer discounts on services. Make sure you are aware of where you can save when doing business with a local Chamber member. For more information >>
